FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION**Analysis**

SB 64 amends AS 16.51 to provide additional powers to the Alaska Seafood Marketing Institute (ASMI) Board and allow the ASMI Board to market aquatic farm products in addition to commercially harvested seafood from Alaska.

ASMI marketing activities are funded from the seafood marketing assessment under AS 16.51.120, which is not collected from aquatic farms. SB 64 permits ASMI to market mariculture projects using existing fund sources or by seeking new grant funding, but does not expand the seafood marketing assessment to include aquatic farms or include an alternate funding source to support marketing activities. As a result, ASMI currently does not anticipate fiscal impact if this legislation is passed.
